- High efficiency sealed compressor.
- Attractive LED lighted dispense area

PWC-450

The Vertex *PureWaterCooler*™ PWC-450 is a sleek, upscale 2-temperature bottle-less cooler that is only 16.5" tall and fits under standard cabinets. Use the existing water source to make a continuous supply of clean, great tasting water for up to 30 people. The 2-temperature single dispensing faucet comes with a dual-button Hot Water safety feature and the pressurized dispense system creates a faster flow of water. The LED lighted, 10" tall opening allows easy refill of large water bottles and mugs.
